Assistant Commissioner For Patents Washington, DC 20231

Dear Sir:

<u>AMENDMENT</u>

In reply to the Office Action dated April 29, 2002, please amend the aboveidentified application, without prejudice, as follows:

IN THE CLAIMS:

2. The molded article according to claim 1, wherein said aliphatic polyester component accounts for a proportion in the range of 55 to 90% by weight of the material.

5. The molded article according to claim 1, wherein said inorganic filler is at least one member selected from the group consisting of talc, calcium carbonate, clay, kaolin, carbon, mica, silica, aluminum oxide, magnesium hydroxide and barium sulfate.

6. The molded article according to claim 1, wherein said inorganic filler contained in said continuous phase is talc.
